PERSONAL PROFILE

Hi, I'm Felix, A 21 year old from the UK living and working in Copenhagen.

I love to code with modern tools and I work hard to produce professional websites.

I am currently looking for the right opportunity to work in an environment that will allow me to further develop my skills.

AREAS OF EXPERTISE

- Javascript, HTML, CSS, React and Python experience
- Various frameworks and libraries
- Working knowledge of Mongo, Express, Node, J-query, Git etc.

OTHER SKILLS

- The ability to analyze complex technical information
- Natural affinity for learning
- Excellent problem solver
- Customer service

WORK EXPERIENCE

WEB DEVELOPMENT

- . Built full stack CRUD applications using Mongo, Express, React and Nodejs.
- . Built fully functional E-commerce site with React, commerce.js and payment processing with stripe.
- . Built useful apps that utilize APIs. For example, an app that allows you to search for Github users and find information about them.

CUSTOMER SERVICE ASSISTANT

East of England Co-op | 2018 – 2020
